# Who we Are

---

**PROMETHEUS SD** was founded in the beginning of 2026, headquartered in Keratsini with a workshop located within the Ship Repair Zone of Piraeus Port Authority (PPA) in Drapetsona.

Despite its recent establishment, the company is founded on a leadership team with extensive, long-standing expertise in ship repair, maintenance, and marine operations.

# Services

---

We operate across vessels, yachts, floating units, shipyards, and industrial facilities, delivering specialized cleaning and painting solutions tailored to demanding marine and industrial environments.

In particular:

- **Cleaning Services** (cargo tanks, engine rooms, funnels, garages, decks)
  - Residue cleaning.
  - Chemical cleaning.
  - Hydroblasting up to 1.000 bar.
  - Mechanical cleaning of metallic surfaces.
- **Painting Services**
  - Application on internal and external surfaces such as bilges, ship tanks, decks, and ceilings.
  - Executed in full compliance with the specifications of all major international coating systems.
